Subject to availability and change - terms and conditions apply to all bookings and we reserve the right to alter prices. Prices held except for Youth Weeks which may not be at the same time as 2017.

4 and 7 night breaks start on a Saturday; 3 night breaks start on a Wednesday.

All prices are per person. Prices quoted are for guests with a moderate care level. All supplements are inclusive of VAT, where applicable.

For guests who require mealtime assistance and/or additional mobility assistance either using a hoist or a two person transfer, there is a supplementary charge of £31 per person per night. Airflow mattresses incur a supplement of £40 for up to 7 nights.

If affordability is an issue, we may be able to help fund your break. Ask us about the Revitalise Support Fund.

Why not book early and pay later?

If you book your holiday early, you can spread the cost of your break over a longer period. All we need initially is a deposit of £180 to confirm the booking, and then you have up until six weeks before the start of your break to pay the remaining balance.

We strongly recommend that you take out cancellation insurance, as cancellation fees apply if you are unable to travel for any reason. There are a number of options available to you; the following are examples:

- Age UK, Tel: 0800 389 4852
- Insurancewith, Tel: 020 3829 3875
- Fish Insurance, Tel: 0800 088 3275

### \*Why the stars?

Revitalise breaks always include fantastic in-centre entertainment and activities, but the \* symbol indicates weeks with premium entertainment. These weeks incur a supplement of £10 per person, per night. Please note that 3 or 4 night breaks may not be available during premium entertainment weeks.

Why not upgrade to a suite at Netley Waterside House? Call us for prices and more information.

### NURSING CARE COSTS

Our prices include the cost of personal care at a moderate level, but exclude the nursing care cost (the Registered Nursing Care Contribution rate). However, Revitalise can recover this charge from the local Clinical Commissioning Group (view our Ts and Cs for further details), so you do not have to pay it unless you have an NHS Continuing Healthcare Package.
